Classic, yet contemporary porcelain, the Sonata collection's embossment is a delicate note which complements the strong direction of the shapes. A welcome departure from the formal "nouvelle" and "fusion" cuisine of the past, Sonata's sophisticated embossment of radiant lines centers the visual focus on the well of each plate and bowl, placing emphasis on the cuisine being served.

Deeper plates and bowls as well as varying heights and sizes of serving pieces are crafted to create drama and authenticity in food presentations. As the “slow food” movement places emphasis on locally sourced, pure ingredients and hearty, soul-satisfying meals, the shapes of each piece in the Sonata collection create welcome contrasts, yet elegant accompaniments.
